

Medical Surge Planning and Coordination Tabletop Exercise

Join us and fulfill the Centers for Medicare & Medicaid Services (CMS) requirements for primary care offices to participate in their local emergency preparedness planning.

All specialties welcome and eligible for stipend!

Objectives:

- Learn about emergency medical surge planning in Mesa County and what your disaster preparedness role as a physician is within the community.
- Understand the value of integrating medical and non-medical volunteers into your plan and how to register with the Colorado Volunteer Mobilizer and the Medical Reserve Corps (MRC).

Up to \$150 stipend available to physicians who attend.

St. Mary's Hospital
Saccomano Room A
June 21st
noon-1:00pm

Community Hospital
Lower Level Conference Room
June 28th
Noon-1:00pm

Lunch will be provided!

Certificate of participation in this tabletop exercise will be provided.

Endorsed by: Mesa County Medical Society, St. Mary's Hospital, Community Hospital, & Family Health West Hospital, and the IPA. Funding provided by: Colorado Medical Society and the Mesa County Medical Society Physician Disaster Preparedness Initiative, Year 4.

Providing a common voice for the physicians of Mesa County.
