

Delores Brown began as a Community Hospital volunteer in November 1994 and has generously given more than 3700 hours of her time. Delores started at the front lobby volunteer desk, moving to the library, then radiology, and now volunteers in accounting doing accounts payable, which she says she loves very much.

Delores was born in Quincy, Illinois and has lived in Alabama, California, New Jersey, Utah and Michigan. Delores moved from her small hometown to Alabama in the 1940s, which she says was quite a culture shock. From Alabama her family moved to Berkeley, California where she graduated from high school and went on to graduate from SF State College in 1953. Delores married Ralph in 1952 and shared 54 wonderful years of marriage before his passing in May 2007. Delores has one daughter, three grandchildren and six great-grandchildren.

Delores enjoys golfing several days a week and is a member of the CWGA Golf Association. She makes counted cross-stitch caricature Blue Birds for the local golf tournament "birdies". Delores also blesses our patients during the holidays by knitting bells, which they receive on their meal trays.

We feel very luck that Delores calls Colorado home and is part of our family at Community Hospital. Delores, you are truly a blessing to us!

**Thank you Delores for your dedicated hours, friendly smile and your *Whatever It Takes* attitude!**
