

Jan Moss began as a volunteer in the administration department at Community Hospital in September 2008 and has generously given us more than 800 hours of her time.

Jan was born in Yakima, Washington and lived in California, Lakewood and Grand Junction, Colorado. Jan has one daughter, Dianna and a son, David. Jan's 20-year-old son, Myron passed away in 1982.

Jan worked as a bookkeeper, an office manager and in retail inventory control. She has also been a member of Toastmistress, Sweet Adelines, various bowling associations, the Baptist church, Citizen Police Academy, and Citizens on Patrol.

Jan's hobbies include bowling, singing, and playing tambourine in a country western band called Western-Airs. She enjoys animals, puzzles, poetry, sewing, church, women's fellowship, being on a crew for hot air balloons and volunteering for the sheriff's department. Jan loves to travel but has stayed mostly in the United States except for a trip to Cabo San Lucas, Mexico. She says she's still hoping to see Boston someday!

Jan's interesting life experiences include pushing a car up Vail pass in a snowstorm on her 62nd birthday. She also helped rescue a great horned owl.

Jan has a terrific attitude and says she loves life and never says no to a new adventure!

**Thanks so much, Jan for all you do
and your wonderful *Whatever It Takes* attitude!**
