

Patty Bair became a volunteer at Community Hospital in April of 2001. Patty performs many duties at the volunteer reception desk in the main lobby. Among those duties are escorting patients and visitors to their destinations throughout the hospital, helping with the mail run, and assisting with special projects.

Patty was born and raised in Natrona, Pennsylvania. She worked as a secretary for a Pennsylvania high school, and after moving to Grand Junction, she worked in her son's medical office.

Patty and her husband, who is now deceased, raised two sons, Louis and Mark, and one daughter, Deana. She has eight grandchildren ranging in age from 3-weeks to 18 years.

Patty's travels have taken her across the United States, Mexico and Canada.

Volunteering and being the owner of two pets who are Steelers fans enrich Patty's life. Her dog Ben is named after Ben Roethlisberger and her cat is named Hines after Hines Ward. Patty also enjoys being a member of the Christian Mothers organization.

Patty has given Community Hospital 650 hours of service and we appreciate the care that she gives our patients and visitors.
